A Tribute

My friend, Ted Hoepfner died last month. He was a colorful, familiar presence in Ephraim for many years. He served as Village Clerk, our Choir Director, a school teacher, hotel owner, actor in local productions, and had a mischievous streak.

By the time I met Ted in the Fall of 2010, he was confined to a wheelchair. He was profoundly disabled by a major stroke. He could do very little on his own, with the exception of reading and feeding himself. Although his mind was sharp, he had to formulate words in his head before he could express them. This led to periods of long silence.

Being a ‘rapid fire’ type of person, my first few attempts at conversation were rather one sided. After asking him how his day was, if I didn’t get a response, I’d feel the need to fill the empty space with the sounds of my incessant chatter.

I soon realized that this was beneficial to no one, and I began to change my approach, quieting myself to sit in silence with Ted. My efforts were richly rewarded. Sometimes, after about 15 minutes of silence, Ted would launch into a story. These stories, all true, were hilarious. We’d spend that time reeling with laughter. After a wonderful hour of conversation, we’d close in prayer and he’d gallantly kiss my hand. After the first year of our friendship, he added the words, ‘I love you, dear.’ That meant the world to me, because I knew he meant it.

Ted left me a gift. It is the gift of silence. We are so uncomfortable with silence. We fill our space with background music, chatter, television, anything to drown out the silence. Yet silence is our friend. In silence we can listen to the voice of God. In our silence we can give someone the opportunity to be truly heard. This year, let’s develop the habit of being silent, so that God and those around us, can be heard. - Pastor Dawn

*Christmas Greetings from Carol Hough, former Parish Nurse at Ephraim Moravian*

Dear All -

*Wishing you the joy of God's Christmas miracle, the peace of His love.*

Do hope you have a wonderful Christmas and a healthy New Year! Sure miss you all in Door County. Frank was admitted to the nursing home last month. Now two aides and a machine have to lift him in bed, which I was doing by myself at home! He's being well taken care of, and I love the home. It's only 5 minutes from home, so I go over every day.

Please give my best to everyone--miss you all.

Love,  
Carol

**Our members, far and wide this Christmas season**

Merry Christmas from **Jim and Cathy Gelhaar!** Cathy is well, they are both doing great. They will be spending Christmas in Vero Beach with their daughter's family.

**Toby Wilson** says "I hear it's very cold in Door County, but I'll bet it's very beautiful. Here in Asheville, N.C., it's gotten down in the mid-20s at night. This weekend we'll have lots of rain. At least you don't have to scrape rain off your car windows! Blessings and good health to everyone. Love & prayers."

**SAVE THE DATE!**

The Moravian Open Door in New York City has 41 single- and double-bed rooms and provides housing and supportive services to New York's homeless, depressed, and underserved older population. They receive no city or Federal funding and rely on church and private donations. The program works to restore dignity, rebuild lives towards independence, and graduate to permanent housing. The Open Door works with 10 other organizations in New York to give life skills and offer job search assistance.

"Pull Together" Campaign!

We have a basket by the lower bulletin board for you to bring in your **pull-tops** from cans of soda, water, etc. The Ronald McDonald House can turn them into cash to support their care-giving homes for families of cancer patients.

Piggly Wiggly Receipts

We have had a box in our Fellowship Hall where receipts from The Pig can be dropped, and Kaye Maher has been sending them in for some very nice financial returns. It appears certain that The Pig is going to drop the program at year's end. Manager Jay says they are meeting tomorrow to determine other ways to donate to those non-profits who have been participating, but not through the receipt program. So you can officially recycle your receipts, and we'll keep you up-to-date on what their plans may be.

...COMMUNITY HAPPENINGS..... COMMUNITY HAPPENINGS... COMMUNITY HAPPENINGS...

Sister Bay Moravian Church's Community Lunch will be held at noon on **Wednesday, January 8** (the second Wednesday this month, since the first Wednesday is New Year's Day).

Northern Door Health & Wellness Ministry continues its Community Health Information Programs with an upcoming series of two presentations on the **Patient Protection and Affordable Care Act** (Health Care Reform) to be held on **Sunday, January 26th, and Sunday, February 9th**, both at 4:00 pm at First Baptist Church, Sister Bay.

The status quo of health insurance and health care in America is changing. The driving force behind much of this change is health care reform. While much has been written and spoken about it, the truth remains that many of us are still unclear about what health care reform changes will mean for us. Now is the time to come and hear about the Affordable Care Act from a panel of local experts and have the opportunity to ask the questions that for you remain unanswered.

- * Health Care reform
- * the Affordable Care Act
- * its cost and how it is funded
- *Goals of reform.

Also, don't forget that Northern Door Health & Wellness Ministry also offers **free blood pressure screenings twice a month** at:

- >> The Northern YMCA in Fish Creek on the second Tuesday of the month from 8:15 am to 10:15 am
- >> The monthly Loaves & Fishes Meal held on the fourth Tuesday of each month at St. Rosalia Church - Stella Maris Parish in Sister Bay beginning at 5:00 pm
