### **From the Pastor's Desk**

*"Now when they saw the courage of Peter and John and realized that they were uneducated and ordinary men, they were amazed and recognized them as companions of Jesus." - Acts 4: 13*

A few Sundays ago, I shared a story about a man named Gerry, who was a member of my previous church. Since then, I have thought of the "Gerry stories" I have accumulated that demonstrate the values of our Christian journey. One of our values is Courage, and Gerry was one of the most courageous people I've ever met.

My first impression of Gerry was of a gregarious, well-spoken man who was quite sure of himself. As I came to know him, I heard a very different story. Gerry was by nature extremely introverted, bordering on catatonic (his words!). He was so shy, that he didn't even know he was in a serious relationship until his beloved wife asked him to marry her! He said 'yes' right away because he was so stunned and happy and did not want her to change her mind. He and his wife, Karin, raised three beautiful daughters. He traveled to some exotic countries for his work. He had a keen, analytical mind. But he never lost his inherent introversion. He had a hard time in a crowd. He was uncomfortable in social settings. That is why he is the bravest man I've known.

Courage is not the absence of fear. Courageous people don't allow their fear to dictate their actions. I believe that those who are companions of Jesus, are given every grace and the strength to act in spite of fear. Gerry was given that grace.

Gerry was active as a children's Bible story teller. He brought the Bible to life with such hilarity that the stories would be indelibly imprinted on our brains. In one skit, he was Habib, the undertaker, preparing a body for burial (Jesus) by pouring potpourri on our shrouded volunteer and carrying him to the tomb. In another, during a worship service, he got up, plugged in a vacuum cleaner and began to vacuum the church carpet, declaring that he was preparing for Advent!

Gerry paid visits to the homes of people who were new to our church. These visits were way outside of Gerry's comfort zone! He did them because they were needed and no one else was available.

**continued....**

### **From the Pastor's Desk continued...**

When the church needed to make decisions on important issues, Gerry would get up to speak, knowing that he might get criticized. Sometimes people avoided Gerry in church because they knew he would be asking them to do something. It hurt his feelings, but he soldiered on.

Toward the end of his life, Gerry contracted ALS (Lou Gehrig's Disease). Even with this dreaded illness, he faced it with courage and wit.

In the story about Peter and John in Acts 4, these fishermen did not have any of the training needed for the work that God wanted them to do. Yet, they spoke with a wisdom and boldness beyond themselves. It was noted by the people around them that they were companions of Jesus. May the same be said of us. That we, as companions of Jesus, will promote God's kingdom, even when we're afraid!

### Trustee Report

Your Trustees met on July 12 and discussed cemetery plots, restriping the parking lot for handicap parking and to prevent people from parking in front of the ramp. New handicap parking signs will be ordered. The garage on Moravia Street will be cleaned out to make room for one of the Volpes' cars, especially for winter. Risers and kayaks and other items that the church does not own need to be removed.

Noted that we are very close to our goal in the capital campaign. Also, next year's Fyr Bal will be more outreach than fundraiser; Moravian Sugar Cake and coffee will be free to attendees.

*My wife and I, along with Ann's father, Ted Hoepner, wish to thank you and your worship team for a truly inspirational church service on Sunday, July 17.*

*The music, message, and fellowship after the church service was very gratifying, especially for Anne's father, Ted.*

*At age 93, Ted's visits to church are few and far between, so it was very heart-warming for Ann and I to have Ted attend church with us on Father's Day and for him to participate in the special Sunday dedication of the new wheelchair ramp. I'm sure the church worship service and music brought back many memories for Ted and his 35 years as Choir Director at Ephraim Moravian Church.*

*Please pass on our sincere appreciation to all who made Father's Day, Sunday, June 17, 2012, such a memorable spiritual experience for our family.*

*Your Brother in Christ,  
Dave Koy*

## Treasurer's Report

**General Finances** - through July 26, 2012 income: **\$77,665**  
 through July 26 2012 expenses: **\$84,133**

### Update on Capital Campaign and Projects

**We are just \$11,850 short of our goal of \$200,000! Remaining projects are to replace the roof on the back half of the church, stabilize the basement wall in the parsonage, and update the kitchen in the parsonage.**

After the christening of his baby brother in church, Jason sobbed all the way home in the back seat of the car.

His father asked three times what was wrong. Finally, the boy replied, "That preacher said he wanted us brought up in a Christian home, and I wanted to stay with you guys!"

A reminder again that If you shop at the Piggly Wiggly, remember to put your cash register receipt in the donations slot for Ephraim Moravian Church as you leave. The church receives 1% of the total receipts. So far this year, our slot has had over 650 receipts for a total of \$17,200 recorded. It adds up!

### **Heritage Potluck Picnic** **Sturgeon Bay Moravian Church**

The Sturgeon Bay Moravian Church is celebrating their 150th year and invites us all to gather for a picnic and presentation.

It will be held on **Sunday, August 19** from **12:30 to 3 p.m.** at the Hans Hansen House at Crossroads at Big Creek, Sturgeon Bay.

There will be a presentation by George Evenson of the Door County Historical Society about the Hansen House itself (Hans Hansen had ties to Ephraim and Sturgeon Bay Moravian Churches). His home was built in the "sval house" method, with only a few examples left outside of Norway (the sval hus at the

Ephraim Historical Foundation being one of them!).

We want to have a good representation of our congregation at this picnic and hope to form car-pools. Bring your own tableware, beverage and a dish to pass.
